

Appl. No. 10/057,462
Amdt. Dated 02/08/2005
Reply to Office Action of 1/18/2005

APP 1356

REMARKS

The title of the application has been amended more accurately to correspond to the claimed subject matter of the application.

In the Office Action being responded to the Examiner has indicated that claim 3 is allowable and that claim 2 would be allowable if rewritten to include all of the limitations of its prior base claim 1. Accordingly, applicant has amended claim 1 to include all the limitations of claim 2, which is being cancelled. Reconsideration and allowance of claim 1, as thus amended, are respectfully requested.

In as much as claims 1 and 2, the only claims remaining in the application, have both been deemed allowable, applicant submits that this application is now in condition to be passed to issue, and such action is also respectfully requested. However, if the Examiner deems it would in any way expedite the prosecution of the application, he is invited to telephone applicant's attorney at the number set forth below.

Respectfully submitted,

Roger E. Story
